## PRESS RELEASE

---

### THE HELAPET **VARIDISK** FILTER SYSTEM – CUSTOM FILTERS TO YOUR SPECIFICATION

Helapet announce the introduction of the **Varidisk Filter System** – a unique custom filter manufacturing facility for OEM's and End Users worldwide. The system allows for complete choice of media, connectors and housing to satisfy customers' specific applications.

We are able to offer unrivalled customer service, together with the ability to manufacture ***small production runs, with fast turnaround times***. This provides equipment manufacturer's the scope to find precisely the right **Varidisk Filter** assembly for their needs, and to source the exact quantities required.

“ Our research has identified a significant gap in the market for custom made specialist filtration devices,” quotes Glenn Kenworthy, Marketing Manager at Helapet. “Customers want flexibility from their suppliers in today's competitive marketplace, and that is precisely our goal. The Varidisk system is very much customer orientated and we are confident, equipment manufacturers' will value this type of service, at competitive prices.”

For further information and FREE samples please contact Catherine Dufficy on +44 (0)1296 632244 or you can e.mail us at: [info@helapet.co.uk](mailto:info@helapet.co.uk)
